

Penthouse lifestyle

F

Features:

Two level living

Huge master bedroom en-suite

2nd full family bathroom

Mezzanine upper deck 2nd bedroom / office space

Designer fully fitted kitchen

Alarm system and direct lift access

Sweeping balcony with spectacular views
Lots of light, space and creativity

Double electric Garage

Full spacious maids quarters

Secure off street visitor parking

Numerous possibilities are available from this designer pad, with over 150sqm of internal space available so much is on offer already.

There are however possibilities to easily create a third bedroom which would ultimately offer you 2 full bedrooms & bathrooms, a separate mezzanine office with glass roof and panoramic views and enough open spaces to accommodate any occasion.

This property quiet frankly offers it all.

R2 990 000

The Penthouse Lifestyle!
Set on the mountain slopes with the most majestic views over the Atlantic Seaboard this magnificent ship wants you at the realm. A true masterpiece with spectacular attention to detail makes this apartment something special. There are only 4 individually styled apartments in this development, each with state of the art high security entrance and direct lift access. Maintained to the highest standard this building offers the occupants all the ingredients of modern day living, with the beaches just down the road, easy and quick access to the city and a multitude of restaurants, bars and nightlife. You will never be lacking ideas of what to do. This is the life, are you ready?
